MANAGEMENT INFORMATION CIRCULAR

WITH RESPECT TO

THE ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

TO BE HELD ON JUNE 12, 2025

AURANIA RESOURCES LTD.

NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

Notice is hereby given that an annual and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of Aurania Resources Ltd. (the “**Company**”) will be held at the Company’s office at 8 King Street East, Suite 1800, Toronto, ON M5C 1B5, on June 12, 2025, at 1:30 p.m. **Eastern Time (“ET”)** for the following purposes:

1. to receive and consider the financial statements of the Company for the year ended December 31, 2024, and the report of the auditors thereon;
2. to appoint McGovern Hurley LLP, Chartered Accountants, as the auditors of the Company for the ensuing year and to authorize the directors to fix their remuneration;
3. to elect the directors of the Company for the ensuing year;
4. to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution to approve the Company’s Incentive Stock Option Plan for the ensuing year; and
5. to transact such other business as may properly come before the Meeting or any adjournments or postponements thereof.

The nature of the business to be transacted at the Meeting is described in further detail in the management information circular of the Company dated April 30, 2025 (the “**Circular**”). An “ordinary resolution” is a resolution passed by at least a majority of the votes cast by Shareholders who voted in respect of that resolution at the Meeting.

The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting or any adjournments or postponements thereof, is April 25, 2025 (the “**Record Date**”). Shareholders whose names have been entered in the register of Shareholders at the close of business on the Record Date will be entitled to receive notice of, and to vote, at the Meeting or any adjournments or postponements thereof.

A Shareholder wishing to be represented by proxy at the Meeting or any adjournment thereof must deposit his/her/its duly executed form of proxy with the Company’s transfer agent and registrar, TSX Trust Company (“**TSX Trust**”), by mail at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, by facsimile at (416) 595-9593, online at <https://www.voteproxyonline.com/pxlogin> no later than 1:30 p.m. ET on **June 10, 2025** or, if the meeting is adjourned, not later than 48 hours, excluding weekends and statutory holidays in the City of Toronto, Ontario, preceding the time of such adjourned meeting. Shareholders who are unable to attend the Meeting in person, are requested to date, complete, sign and return the form of proxy so that as large a representation as possible may be had at the Meeting.

Notice-and-Access

The Company is utilizing notice-and-access (the “**Notice-and-Access Provisions**”) pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* and National Instrument 51-102 – *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and non-registered Shareholders.

Website Where Meeting Materials are Posted

The Notice-and-Access Provisions are a set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR+**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Company for the year-ended December 31, 2024 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for 2024 (“**MD&A**”) may be found on the Company’s SEDAR+ profile at www.sedarplus.ca, on TSX Trust’s website at <http://docs.tsxtrust.com/2167>, and also on the Company’s website at <http://aurania.com/investors/annual-general-meeting>. The Company will not use a procedure known as “stratification”

in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Circular to some Shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Circular.

Obtaining Paper Copies of Materials

The Company anticipates that using notice-and-access for delivery to all Shareholders will directly benefit the Company through a substantial reduction in both postage and material costs and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Inquiries including questions about notice-and-access and/or requests for paper copies of this Circular, the Financial Statements and the MD&A for the year-ended December 31, 2024, may be directed to the Company's transfer agent, TSX Trust, toll-free by telephone at 1-866-600-5869 or via email at tsxtis@tmx.com. A request for paper copies which are required in advance of the Meeting should be sent so that they are received by TSX Trust, by June 3, 2025 in order to allow sufficient time for Shareholders to receive the paper copies and to return their proxies or voting instruction forms to intermediaries not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the "**Proxy Deadline**"). Any requests for paper copies received by the Company after June 3, 2025, will be delivered to Shareholders in accordance with applicable securities law.

VOTING

All Shareholders are invited to attend the Meeting and may attend in person or may be represented by proxy. A "beneficial" or "non-registered" Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the common shares in that capacity. Only Shareholders as of the Record Date are entitled to receive notice of and vote at the Meeting. Shareholders who are unable to attend the Meeting in person, or any adjournments or postponements thereof, are requested to complete, date and sign the enclosed form of proxy (registered holders) or voting instruction form (beneficial holders) and return it in the envelope provided. To be effective, the enclosed form of proxy or voting instruction form must be mailed or faxed so as to reach or be deposited with: (A) TSX Trust Company (in the case of registered holders) at Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Fax Number: 416-595-9593 prior to the Proxy Deadline (as defined in the Company's management information circular dated April 30, 2025), failing which such votes may not be counted, or (B) your intermediary (in the case of beneficial holders) with sufficient time for them to file a proxy by the Proxy Deadline.

A "beneficial" or "non-registered" Shareholder will not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of his/her/its broker; however, a beneficial Shareholder may attend the Meeting in-person as proxyholder for the registered Shareholder and vote the common shares in that capacity. Only Shareholders as of the Record Date are entitled to receive notice of and vote at the Meeting. Shareholders who are unable or not planning to attend the Meeting in person, or any adjournments or postponements thereof, are requested to complete, date and sign the enclosed form of proxy (registered holders) or voting instruction form (beneficial holders) and return it in the envelope provided. To be effective, the form of proxy or voting instruction form must be submitted by facsimile at (416) 595-9593, online at <https://www.voteproxyonline.com/pxlogin> or mailed so as to reach or be deposited with TSX Trust (in the case of registered holders) at 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, prior to the Proxy Deadline, failing which such votes may not be counted, or (B) your intermediary (in the case of beneficial holders) with sufficient time for them to file a proxy by the Proxy Deadline.

The Management of the Company reserves the right to take any additional precautionary measures it deems appropriate in relation to the Meeting in response to any outbreak of pandemics or other health crises, such as the COVID-19 outbreak including, if the Management of the Company considers necessary or advisable, providing a webcast version of the Meeting and/or hosting the Meeting solely by means of remote communication, placing restrictions on in-person attendance, or postponing or adjourning the Meeting. Changes to the Meeting date and/or means of holding the Meeting may be announced by way of press release. Please monitor our Company's news releases <http://aurania.com/news/press-releases> as well as the home page of the Company's website at

<http://www.aurania.com> for updated information. The Management of the Company advises the Shareholders of the Company to check the Company's website one week prior to the Meeting date for the most current information. If applicable and as appropriate, this webpage will contain required information that would allow shareholders to remotely dial-in or log-in for purposes of listening, but not participating in, the Meeting. We do not intend to prepare or mail an amended Circular in the event of changes to the Meeting's format.

SHAREHOLDERS ARE REMINDED TO REVIEW THE INFORMATION CIRCULAR BEFORE VOTING.

DATED this 30th day of April, 2025

**BY ORDER OF THE BOARD OF DIRECTORS OF

MANAGEMENT INFORMATION CIRCULAR

Aurania Resources Ltd. (the “**Company**”) is utilizing the notice-and-access mechanism (the “**Notice-and-Access Provisions**”) under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) for distribution of this management information circular (the “**Circular**”) to both registered and non-registered (or beneficial) holders (“**Shareholders**”) of common shares of the Company (“**Common Shares**”). Further information on notice-and-access is contained below under the heading *General Information in Respect of the Meeting – Notice-and-Access* and Shareholders are encouraged to read this information for an explanation of their rights.

GENERAL INFORMATION IN RESPECT OF THE MEETING

Solicitation of Proxies

This Circular is furnished in connection with the solicitation of proxies by the Management of the Company for use at the annual and special meeting (the “**Meeting**”) of the Shareholders of the Company to be held at 1:30 p.m. ET on June 12, 2025, for the purposes set forth in the Notice of Annual and Special Meeting of Shareholders dated April 30, 2025 (the “**Notice**”). References in this Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Company by telephone, electronic means, or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Company.

The board of directors of the Company (the “**Board**”) has fixed the close of business on April 25, 2025, as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting. All duly completed and executed proxies must be received by the Company’s registrar and transfer agent, TSX Trust Company (“**TSX Trust**”) online at <https://www.voteproxyonline.com/pxlogin>, by mail at Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1 or by fax at 416-595-9593 not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof (the “**Proxy Deadline**”).

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

Unless otherwise stated, the information contained in this Circular is as of April 30, 2025.

Notice and Access

As noted above, the Company is utilizing the Notice-and-Access Provisions under NI 54-101 and NI 51-102 for distribution of this Circular to all registered Shareholders and Non-Registered Shareholders (as defined below).

The Notice-and-Access Provisions are a new set of rules that allow reporting issuers to post electronic versions of proxy-related materials (such as proxy circulars and annual financial statements) on-line, via the System for Electronic Document Analysis and Retrieval (“**SEDAR+**”) and one other website, rather than mailing paper copies of such materials to Shareholders. Electronic copies of the Circular, financial statements of the Company for the year-ended December 31, 2024 (“**Financial Statements**”) and management’s discussion and analysis of the Company’s results of operations and financial condition for fiscal year 2024 (“**MD&A**”) may be found on the Company’s SEDAR profile at www.sedarplus.ca, on TSX Trust’s website at <http://docs.tsxtrust.com/2167> and also on the Company’s website at <http://aurania.com/investors/annual-general-meeting>. The Company will not use a procedure known as “stratification” in relation to the use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of this Circular to some Shareholders with the notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of this Circular. **Shareholders are reminded to review this Circular before voting.**

Although this Circular, the Financial Statements and the MD&A will be posted electronically on-line as noted above, Shareholders will receive paper copies of a “notice package” via prepaid mail containing the Notice of Meeting with information prescribed by NI 54-101 and NI 51-102, a form of proxy or voting instruction form, and supplemental mail list return card for Shareholders to request they be included in the Company’s supplementary mailing list for receipt of the Company’s interim financial statements for the 2025 fiscal year.

The Company anticipates that Notice-and-Access will directly benefit the Company through a substantial reduction in both postage and material costs and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about Notice-and-Access can contact the Company’s transfer agent, TSX Trust, by telephone toll-free at 1-866-600-5869 or via email at tsxtis@tmx.com. Shareholders may also obtain paper copies of the Circular, Financial Statements and MD&A free of charge by contacting TSX Trust at the toll-free number or email address above.

A request for paper copies which are required in advance of the Meeting should be sent so that they are received by TSX Trust, by June 3, 2025 in order to allow sufficient time for Shareholders to receive their paper copies and to return their form of proxy to TSX Trust (in the case of registered Shareholders), or their voting instruction form to their intermediaries (in the case of Non-Registered Shareholders, as such term is defined herein) by its due date. Any requests for paper copies received by the Company after June 3, 2025, will be delivered to Shareholders in accordance with applicable securities law.

Voting of Proxies

The Common Shares represented by the form of proxy delivered to registered Shareholders (if same is properly executed and is received at the offices of TSX Trust at the address provided herein, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. **In the absence of such specification, proxies in favour of Management will be voted in favour of all resolutions described below under the heading “Matters to be Acted Upon”. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting whether or not such matters are routine or contested.** At the time of the filing of this Circular, Management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to Management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Company. **A Shareholder desiring to appoint some other person (who need not be a Shareholder) to represent him or her at the Meeting, may do so by inserting such person’s name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of TSX Trust, at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder’s attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of TSX Trust, Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1;
- (ii) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with TSX Trust, Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" or "beneficial" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals within respect of the Common Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Company will have distributed copies via mail or electronically the Notice, the form of proxy, a request card for interim and annual materials and either this Circular, or in case of meetings conducted through the Notice-and-Access system like the Meeting, guidance on access to the Circular that is available electronically or in paper form on request (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive such materials. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and the United States. Broadridge typically prepares a machine-readable voting instruction form, mails those voting instruction forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the voting instruction form to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Common Shares at the Meeting; or**

- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder, but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust at Suite 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, Fax Number: 416-595-9593.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the person's named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

Non-Registered Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("**Objecting Beneficial Owners**" or "**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**" or "**NOBOs**"). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The Company is sending Meeting Materials directly to the NOBOs and will use and pay intermediaries and agents to send the Meeting Materials to NOBOs. The Meeting Materials are being sent to both registered and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company or its agent has sent the Meeting Materials to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified above. The Company will pay an Intermediary for sending the Meeting Materials or a voting instruction form to the OBOs.

Mr. Ullrich is also on the Technical Advisory Board for American West Metals Limited.

The CNGC's purpose is, among other things, to: (i) review and recommend to the Board the compensation plans, including the securities-based compensation plans, long term incentive plans, and such other compensation plans or structures as are adopted by the Company from time to time; and (ii) establish and periodically review the Company's policies in the area of management benefits and perquisites. In performing its duties, the CNGC has the authority to engage and compensate any outside advisors that it determines to be necessary to permit it to carry out its duties.

Compensation Process

The Board relies on the knowledge and experience of the members of the CNGC to set appropriate levels of compensation for senior officers. Neither the Company nor the CNGC has engaged any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation during the Company's two most recently completed financial years or since the Last Financial Year.

The CNGC reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, consulting fees and prior awards under the Company's incentive stock option plan (the "**Option Plan**") originally adopted by the Board on February 15, 2011 and amended on November 15, 2017, with the amendment having been most recently ratified and approved by Shareholders per the requirements of the TSX Venture Exchange (the "**TSX-V**") at the annual and special meeting of Shareholders held on June 13, 2024 (the "**2024 Meeting**") and recommends compensation packages for NEOs. The CNGC's recommendations regarding NEO compensation are presented to the independent members of the Board for their consideration and approval.

Principles and Objectives of the Compensation Program

The primary goal of the Company's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Company's senior officers is determined with regard to the Company's business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with the financial interests of the Shareholders.

Compensation Program Design and Analysis of Compensation Decisions

Standard compensation arrangements for the Company's senior officers are comprised of the elements listed in Table 2, which are linked to the Company's compensation and corporate objectives.

Table 2. Summary of elements of the standard compensation arrangements for the Company's senior officers and associated linked corporate objectives.

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and/or Consulting Fees	Attract and Retain	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Stock Options & Restricted Stock Units	Motivate and Reward Align interests with Shareholders	Long-term incentives motivate and reward senior officers to increase Shareholder value by the achievement of long-term corporate strategies and objectives.

Performance and Compensation

The Company is an exploratory stage mining company and does not expect to be generating revenues from operations in the foreseeable future. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the CNGC to be appropriate in the evaluation of corporate or NEO performance. The compensation of senior officers is based, in part, on trends in the mineral exploration industry as well as achievement of the Company's business plans. The Board did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

Base Salaries and Consulting Fees

The Company provides senior officers with base salaries or consulting fees which represent their minimum compensation for services rendered or expected to be rendered. Base compensation for NEOs depends on the scope of their experience, responsibilities, leadership skills, performance, length of service, general industry trends and competitiveness practices, and the Company's existing financial resources. Base salaries will be reviewed annually by the CNGC.

During the Last Financial Year, the following arrangements in respect of NEOs involving base salaries were in place:

Mr. Francisco Freyre was appointed as the Company's CFO on July 26, 2022. On June 30, 2022, the Company entered into a corporate services agreement with WD Numeric Corporate Services for its fractional CFO. During the Last Financial Year, the Company paid \$230 per hour based on hours worked, with monthly fees averaging approximately \$13,000. Effective January 1, 2025, the Company transitioned its CFO role from a fractional arrangement to a full-time employee position under a new employment agreement with an indefinite term, an annual salary of \$175,000, and standard severance provisions, including termination without cause or in the event of a change of control.

Jean Paul Pallier was appointed an officer of the Company on April 11, 2013, after having provided technical consulting services to the Company since 2009. Mr. Pallier was later promoted to Vice President, Exploration in November 2017. The Company's Vice President, Exploration is contracted through the Company's Ecuadorian subsidiary, Ecuasolidus, S.A. ("ESA"). ESA paid Jean Paul Pallier approximately \$234,000 during the Last Financial Year.

Stock Options and RSUs

The grant of incentive stock options ("Options") and Restricted Stock Units ("RSUs") pursuant to the Company's incentive stock option and RSU plans are an integral component of the compensation arrangements of the senior officers of the Company. The Board believes that the grant of Options and RSUs to senior officers and Common Share ownership by such officers serves to motivate such officers to strive towards achievement of the Company's long-term strategic objectives, which benefits the Shareholders. Options and RSUs may be awarded to directors, officers, employees, and consultants of the Company by the Board on the recommendation of the CNGC. Decisions with respect to options granted are based upon the individual's level of responsibility and their contribution towards the Company's goals and objectives, and additionally may be awarded in recognition of the achievement of a goal or extraordinary service. The Board considers the overall number of Options and RSUs that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of Options and/or RSUs.

and the size of such grants. Based on the foregoing factors, the Board granted 2,759,000 Options and nil RSUs in 2024.

Compensation Risk Considerations

The CNGC is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk-taking. The Company believes the programs are balanced and do not motivate unnecessary or excessive risk-taking. The Company does not currently have a policy that restricts directors or NEOs from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in the market value of equity. However, to the knowledge of the Company as of the date of hereof, no director or NEO of the Company has participated in the purchase of such financial instruments.

Base salaries are fixed in amount and thus do not encourage risk-taking. While annual incentive awards focus on the achievement of short-term or annual goals and short-term goals may encourage the taking of short-term risks at the expense of long-term results, the Company is focused on instilling a long-term view in its employees and consultants to encourage long-term value creation through the discovery of quality mineral deposits. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEOs. The determination as to whether a target has been met is ultimately made by the Board (after receiving recommendations of the CNGC) and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped by the Option and RSU plans and the distribution of funds to the NEOs is at the discretion of the CNGC.

Option awards are important to further align employees' interests with those of the Shareholders. The ultimate value of the awards is tied to the Company's stock price and since awards are staggered and subject to long-term vesting schedules, they help ensure that NEOs have significant value tied into long-term stock price performance.

Table 3 provides information for the Last Financial Year and the years ended December 31, 2023 and 2022 regarding compensation earned by each of the following NEOs.

Director Compensation

The Board determines the level of compensation for directors based on recommendations from the CNGC. The Board reviews directors' compensation as needed, considering time commitment, risks and responsibilities to ensure that the amount of compensation adequately reflects the responsibilities and risks of being a director and makes adjustments as deemed necessary.

Effective April 11, 2013, the Board adopted a cash compensation program for its directors with respect to general directors' duties, meeting attendance or for additional service on Board committees. Directors are entitled to receive annual compensation of \$15,000. Further, directors are reimbursed for all reasonable out-of-pocket expenses incurred in attending Board, committee or Shareholder meetings and otherwise incurred in carrying out their duties as directors of the Company.

Directors may receive Option and RSU grants as determined by the Board in accordance with the applicable incentive compensation plan. The exercise price of Options or RSUs is determined by the Board, but shall in no event be less than the market price of the Common Shares at the time of the Option grant, less any permissible discounts pursuant to the terms of the applicable incentive compensation plan and the policies of the TSX-V.

SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

10% Rolling Stock Option Plan

The Company adopted an Option Plan on February 15, 2011. On November 15, 2017 the Option Plan was amended and last ratified and approved by the Shareholders pursuant to the requirements of the TSX-V (as discussed further below) at the 2024 Meeting. As of the date of this Circular, the Company has 7,428,468 Options outstanding to purchase Common Shares, representing 6.92% of the Company's issued and outstanding shares.

The Option Plan is a "rolling" stock option plan and therefore no Options shall be granted under the Option Plan if such grant could result, at any time, in a number of Common Shares reserved for issuance pursuant to the Options granted that exceeds 10% of the issued and outstanding Common Shares as of the date of the grant.

The Option Plan is administered by the Board and the CNGC. The purpose of the Option Plan is to attract, retain and motivate certain directors, officer, employees, service providers, consultants or management company employees/consultants of the Company (the "**Eligible Persons**") and to advance the interests of the Company by providing such persons with the opportunity, through Options, to acquire an increased proprietary interest in the Company. The CNGC determines to whom Options are to be granted, the terms and provisions of the respective Option agreements, the time or times at which such Options shall be granted, the dates such Options become exercisable, the number of Common Shares subject to each Option, and the purchase price of such Common Shares, and presents a formal proposal to the Board for consideration, and as appropriate, approval. All other questions relating to the administration of the Option Plan and the interpretation of the provisions thereof and of the related Option agreements are resolved by the Board and the CNGC.

The TSX-V policies relating to security-based compensation arrangements require that a majority of Shareholders must approve all unallocated Options every year after the institution of any security-based compensation arrangement that does not have a fixed maximum aggregate of issuable securities. Accordingly, Shareholders will be asked at the Meeting to approve the unallocated Options for the upcoming year.

The following information is intended to be a brief description and summary of the material features of the Option Plan.

- (a) The aggregate number of Common Shares reserved for issuance pursuant to Options and Restricted Stock Units (“RSU”) granted to insiders of the Company, shall not exceed 10% of the total number of Common Shares then outstanding, unless disinterested Shareholder approval is obtained.
- (b) The aggregate number of Common Shares reserved for issuance pursuant to Options or RSUs granted to any one person or entity within any 12-month period shall not exceed 5% of the total number of Common Shares on a non-diluted basis then outstanding, unless disinterested Shareholder approval is obtained.
- (c) The aggregate maximum number of Common Shares available for issuance from treasury under the Option Plan at any given time shall not exceed 10% of the issued and outstanding Common Shares (on a non-diluted basis) or such other number as may be approved by the TSX-V, from time to time. Any Common Shares subject to an Option which has been granted under the Option Plan and which has been cancelled, repurchased, expired or terminated in accordance with the terms of the Option Plan without having been exercised, will again be available under the Option Plan.
- (d) The exercise price of an Option shall be determined by the Board at the time each Option is granted, provided that such price shall not be less than the last closing price of the Common Shares on the TSX-V.
- (e) The Board may determine when any Option will become exercisable and may determine that the Option will be exercisable immediately upon the date of grant, or in instalments or pursuant to a vesting schedule. However, unless the Board determines otherwise, Options issued pursuant to the Option Plan will vest immediately on the date of grant.
- (f) In the event an optionee ceases to be eligible for the grant of Options under the Option Plan, Options previously granted to such person will cease to be exercisable within a period of 90 days after the date such person ceases to be eligible under the Option Plan, or for a longer period as determined by the Board, provided that no Option shall remain outstanding for any period which exceeds the earlier of: (i) the expiry date of such Option; and (ii) 12 months following the date such person ceases to be eligible under the Option Plan.
- (g) In the event of a Change of Control (as defined in the Option Plan), all Options granted to optionees shall be immediately exercisable for 90 days thereafter, subject to Section 9.1 of the Option Plan.

The full text of the Option Plan is attached as Schedule “A” to the Circular.

Restricted Stock Unit Plan

On June 13, 2018, Shareholders approved the Restricted Stock Unit Plan (the “**RSU Plan**”). The RSU Plan was amended and last ratified on June 14, 2023 and approved by the Shareholders on June 13, 2024 pursuant to the requirements of the TSX-V (as discussed further below) at the 2024 Meeting, a copy of which is attached hereto as Schedule “B”. The purpose of the RSU Plan is to advance the interests of the Company and its subsidiaries by: (i) assisting the Company and its subsidiaries in attracting and retaining individuals with experience and ability; (ii) allowing certain executive officers, directors, and key employees of the Company and its subsidiaries to participate in the long term success of the Company, and (iii) promoting a greater alignment of interests between the executive officers and key employees designated under the RSU Plan and the Shareholders. The RSU Plan is available to directors, officers, employees and consultants which are collectively referred to in the RSU Plan as “Service Providers” of the Company, as determined by the Board (the “**Eligible Grantees**”). On November 2, 2017, October 24, 2019, and November 18, 2020, the Company granted 124,500, 122,700 and 338,700 RSUs respectively, to officers, employees and consultants. As of the date of this Circular, 366,100 RSUs have been cancelled or forfeited, 55,500 RSUs were settled in Common Shares, and 164,300 RSUs are to be issued into Common Shares. There are no unvested RSUs issued or outstanding.

The following information is intended to be a brief description and summary of the material features of the RSU Plan:

- (a) The Company is authorized to issue up to 3,306,663 RSUs pursuant to the RSU Plan.
- (b) The total number of Common Shares issuable to insiders under the Option Plan and the RSU Plan, at any time or in any one-year period, shall not exceed 10% of the issued and outstanding Common Shares of the Company.
- (c) The total number of Common Shares issuable to any person within any one-year period under the RSU Plan shall not exceed 1% of the issued and outstanding Common Shares of the Company.
- (d) The total number of Common Shares issuable to all persons within any one-year period under the RSU Plan shall not exceed 2% percent of the issued and outstanding Common Shares of the Company.
- (e) Neither awards nor any rights under any such awards shall be assignable or transferable. If any Common Shares covered by an award are forfeited, or if an award terminates without delivery of any Common Shares subject thereto, then the number of Common Shares counted against the aggregate number of Common Shares available under the RSU Plan with respect to such award shall, to the extent of any such forfeiture or termination, again be available for making awards under the RSU Plan.
- (f) The RSU Plan shall terminate automatically after ten years from the date initially approved by the Board (April 25, 2017) and may be terminated on any earlier date or extended by the Board.

The Board may at any time, in its sole discretion, amend, suspend, terminate or discontinue the RSU Plan and may amend the terms and conditions of any awards thereunder, subject to (a) any required approval of any applicable regulatory authority or the TSX-V, and (b) approval of Shareholders, provided that Shareholder approval shall not be required for the following amendments and the Board may make changes which may include but are not limited to: (i) amendments of a 'housekeeping nature'; (ii) changes to vesting provisions; (iii) changes to the term of the RSU Plan or awards made under the RSU Plan; or (iv) changes to performance criteria term. The Board may amend, modify, or supplement the terms of any outstanding award.

The full text of the RSU Plan is attached as Schedule "B" to the Circular.

MATTERS TO BE ACTED UPON

1. Receipt of Financial Statements

The audited financial statements of the Company for the fiscal year ended December 31, 2024, and the report of the auditors thereon, both of which accompany this Circular, will be submitted to the Meeting. Receipt at the Meeting of the auditor's report and the Company's audited financial statements for the fiscal year ended December 31, 2024, will not constitute approval or disapproval of any matters referred to therein.

2. Appointment of Auditors

McGovern Hurley LLP, Chartered Accountants ("McGovern Hurley"), are the independent registered certified auditors of the Company. McGovern Hurley was first appointed as auditors of the Company on December 21, 2010.

Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the appointment of McGovern Hurley as auditors of the Company to hold office until the next annual meeting of Shareholders or until a successor is appointed and to authorize the Board to fix the remuneration of the auditors.

3. Election of Directors

At the Meeting, the following four (4) persons named hereunder will be proposed for election as directors of the Company. Management does not contemplate that any of the nominees will be unable to serve as a director, but if that should occur for any reason prior to the Meeting, it is intended that discretionary authority shall be exercised by the persons named in the accompanying proxy to vote the proxy for the election of any other person or persons in place of any nominee or nominees unable to serve. Each director elected will hold office until the close of the next annual

meeting of Shareholders, or until his or her successor is duly elected unless prior thereto, he or she resigns or his or her office becomes vacant by reason of death or other cause.

Majority Voting for Directors

The Board has adopted a policy requiring that in an uncontested election of directors, any nominee who receives a greater number of votes “withheld” than votes “for” will tender a resignation to the Chairman of the Board promptly following the Meeting. The CNGC of the Board will consider the offer of resignation and, except in special circumstances, will recommend that the Board accept the resignation. The Board will make its decision and announce it in a press release within 90 days following the Meeting, including the reasons for rejecting the resignation, if applicable. The nominee will not participate in any CNGC or Board deliberations on the resignation offer. The policy does not apply in circumstances involving contested director elections.

Nominees

Table 10 sets forth the name of all persons proposed to be nominated for election as directors, their place of residence, position held, and periods of service with, the Company, or any of its affiliates, their principal occupations and the approximate number of Common Shares of the Company beneficially owned, controlled or directed, directly or indirectly, by them.

Shareholders have the option to (i) vote for all the directors of the Company listed in the table below; (ii) vote for some of the directors and withhold for others; or (iii) withhold for all of the directors. **Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the election of each of the proposed nominees set forth below as directors of the Company.**

Corporate Cease Trade Orders, Bankruptcies, Penalties or Sanctions

No individual set forth in Table 10 is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company (including the Company) that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days that was issued while such individual was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days, that was issued after such individual ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while such proposed director was acting in the capacity as director, chief executive officer or chief financial officer.

Except as noted below, no individual set forth in Table 10 (or any personal holding company of any such individual) is, as of the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company (including the Company) that, while such individual was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Jonathan Kagan, a director of the Company, was a director of Gump's Holdings LLC, a United States private retailer of home furnishings and jewelry which declared bankruptcy in August 2018. On August 1, 2020, a claim was registered with the United States Bankruptcy Court District of Nevada, naming managers directors and officers of Gump's Holdings LLC, including Mr. Kagan (collectively the "Gump Defendants") as defendants. The plaintiff alleges that Gump Defendants failed to oversee internal controls and financial reporting of Gump's Holdings LLC which led to Gump's Holdings LLC's failure to meet its obligations under a certain credit facility with a lender which resulted in forfeiture of Gump's Holdings LLC's credit line with the lender and contributed to the bankruptcy of Gump's Holdings LLC in August 2018. According to the plaintiff's allegation, the failure of Gump Defendants to oversee internal controls and financial reporting which prevented the corporate directors of Gump's Holdings LLC from being fully informed of the status of obligations under the credit facility of the lender constitute a breach of fiduciary duty by the Gump Defendants and precludes the exclusion of liability under the Operating Agreement of Gump's Holdings LLC. The decision on whether the statement of claim will be accepted or whether claim will be dismissed is pending as at the date hereof. The amount of a successful claim or settlement, if any, may be covered by the insurers of Gump's Holdings LLC.

No individual as set forth in Table 10 (or any personal holding company of any such individual) has, within the ten (10) years before the date of this Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of such individual.

No individual set forth in Table 10 (or any personal holding company of any such individual) has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

4. Approval of Option Plan for Upcoming Year

The TSX-V requires all listed companies with a 10% rolling incentive stock option plan, such as the Company's Option Plan, to obtain annual shareholder approval of the 10% rolling incentive stock option plan for the upcoming

year. Accordingly, Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass an ordinary resolution ratifying and approving the Option Plan for the ensuing year.

For a summary of the material terms of the Option Plan, see “*Securities Authorized for Issuance Under Equity Compensation Plans – 10% Rolling Stock Option Plan*”.

The full text of the Option Plan is attached hereto as Schedule “A”.

The Board recommends that Shareholders vote FOR the approval of the Option Plan for the ensuing year.

Shareholder Approval for the LTIP

At the Meeting, Shareholders will be asked to vote on the following resolution, with or without variation:

1. “The Option Plan be and is hereby ratified, affirmed and approved until the next annual general meeting of the Company;
2. Any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as such director or officer may deem necessary or desirable in connection with the foregoing resolution.”

Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be voted against the approval of the Option Plan for the ensuing year, the persons named in the accompanying proxy will vote FOR the approval of the Option Plan for the ensuing year. To be adopted, this resolution requires a simple majority (50% plus one) of votes of Shareholders at the Meeting.

5. Other Matters

Management of the Company knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Company will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Company. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over Management by ensuring that the majority of its non-executive directors are independent.

The Board is currently comprised of four (4) directors being Keith Barron, Nathalie Han, Thomas Ullrich and Jonathan Kagan. Following the election of the four (4) directors standing for re-election, Mr. Kagan, Ms. Han, and Mr. Ullrich will be independent within the meaning of NI 58-101. Dr. Barron is not independent as he is an executive officer of the Company and thereby has a “material relationship” with the Company.

The Board believes that it functions independently of Management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of Management. The Board meets without Management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. Considering the guidelines contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of Management are not in attendance.

Other Public Company Directorships

The following members of the Board currently hold directorships in other reporting issuers as set forth in Table 11.

Table 11. Summary of other Directorships held by the Company's Board.

Name of Director	Name of Reporting Issuer	Market
Keith Barron	Firestone Ventures Inc.	TSX-V
Thomas Ullrich	Aston Bay Holdings	TSX-V
Jonathan Kagan	N/A	N/A
Nathalie Han	N/A	N/A

Orientation and Continuing Education of Board Members

New directors receive an orientation on the role of the Board, its committees, and the nature and operation of the Company's business, which consists of the following:

- an orientation session with senior officers to receive an overview of the Company's business and affairs;
- an orientation session with the chairperson of each standing committee; and
- an orientation session with legal counsel and the representatives of the Company's auditors.

Continuing education is provided to directors through provision of literature regarding current developments and annual seminars on corporate governance developments. The Chief Executive Officer of the Company takes primary responsibility for the orientation and continuing education of directors and officers.

Code of Business Conduct and Ethics

The Board has adopted a written code of business conduct and ethics to encourage and promote a culture of ethical business conduct amongst the directors, officers, employees and consultants of the Company. Copies of the Company's code of conduct are available on the company's website at www.aurania.com or upon written request from the CEO or CFO of the Company. The CNGC is responsible for ensuring compliance with the Company's code of conduct. There have been no departures from the Company's code of conduct since its adoption.

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Company's annual business plan and budget;
- major acquisitions or dispositions by the Company; and
- transactions which are outside of the Company's existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

The Company believes that it has adopted corporate governance procedures and policies which encourage ethical behaviour by the Company's directors, officers and employees.

Nomination of Directors

The CNGC holds the responsibility for the appointment and assessment of directors.

The CNGC seeks to achieve a balance of knowledge, experience and capability among the members of the Board. When considering candidates for director, the CNGC takes into account a number of factors including, but not limited to, the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- personal qualities and characteristics, accomplishments and reputation in the business community,
- current knowledge and contacts in the countries and/or communities in which the Company does business and in the Company's industry sectors or other industries relevant to the Company's business, and
- the ability and willingness to commit adequate time to Board and committee matters and be responsive to the needs of the Company.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the CNGC will consider various potential candidates for director. Candidates may come to the attention of the CNGC through current directors or Management, shareholders or other persons. These candidates will be evaluated at regular or special meetings of the CNGC and may be considered at any point during the year.

The CNGC considers candidates for directors by annual review of the credentials of nominees for re-election to be named in the Management's proxy's materials. The annual review considers an evaluation of the effectiveness of the Board and the performance of each director, the continuing validity of the credentials underlying the appointment of each director and the continuing compliance with the eligibility rules under applicable conflict of interest guidelines.

The CNGC, whenever considered appropriate, may direct the Chairman of the Board to advise each nominee director, prior to appointment to the Board, of the credentials underlying the recommendation of such nominee director's candidacy. The CNGC may recommend to the Board at the annual meeting of the Board, the allocation of Board members to each of the Board committees, and where a vacancy occurs at any time in the membership of any Board committee, the CNGC may recommend to the Board a member to fill such vacancy. The CNGC has the sole authority to retain and terminate any search firm to be used to identify nominee director candidates, including the sole authority to approve fees and other terms of such retention. The CNGC monitors on a continuing basis and, whenever considered appropriate, makes recommendations to the Board concerning the corporate governance of the Company.

Compensation

The CNGC of the Board reviews the compensation of the directors and senior officers. The CNGC reviews and makes recommendations to the Board regarding the granting of Options to directors and senior officers, compensation for senior officers, and compensation for senior officers' and directors' fees, if any, from time to time. Senior officers and directors may be compensated in cash and/or equity for their expert advice and contribution towards the success of the Company.

The form and amount of cash compensation will be evaluated by the CNGC, which will be guided by the following goals:

- compensation should be commensurate with the time spent by senior officers and directors in meeting their obligations and reflective of the compensation paid by companies similar to the Company in size, business and stage of development; and
- the structure of the compensation should be simple, transparent and easy for Shareholders to understand. Shareholders will be given the opportunity to vote on all new or substantially revised equity compensation plans for directors as required by regulatory policies.

Safety, Environment and Social Responsibility Committee (“SESR Committee”)

3. ADMINISTRATION OF THE PLAN

3.1 Board

The Board shall have such powers and authorities related to the administration of the Plan as are consistent with the Company’s articles and applicable law. The Board shall have full power and authority to take all actions and to make all determinations required or provided for under the Plan, any Award or any Award Agreement, and shall have full power and authority to take all such other actions and make all such other determinations not inconsistent with the specific terms and provisions of the Plan that the Board deems to be necessary or appropriate to the administration of the Plan, any Award or any Award Agreement. All such actions and determinations shall be by the affirmative vote of a majority of the members of the Board present at a meeting or by unanimous consent of the Board executed in writing in accordance with the Company’s articles and applicable law. The interpretation and construction by the Board of any provision of the Plan, any Award or any Award Agreement shall be final, binding and conclusive.

3.2 Committee

The Board from time to time may delegate to the Committee such powers and authorities related to the administration and implementation of the Plan, as set forth in Section 3.1 above and other applicable provisions, as the Board shall determine, other than the Board’s power and authority to grant awards or to issue Shares to Grantees upon the vesting of an Award, consistent with the articles of the Company and applicable law.

(i) Except as provided in Subsection (ii) and except as the Board may otherwise determine, the Committee, if any, appointed by the Board to administer the Plan shall consist of two or more Outside Directors of the Company who meet such requirements as may be established from time to time by the securities regulatory authorities for such incentive plans and who comply with the independence requirements of applicable securities regulatory policies.

(ii) The Board may also appoint one or more separate committees of the Board, each composed of one or more directors of the Company who need not be Outside Directors, who may administer the Plan and may determine all terms of such Awards.

Notwithstanding the foregoing, the Board may not delegate its authority to grant Awards or to issue Shares to Grantees upon the vesting of an Award.

In the event that the Plan, any Award or any Award Agreement entered into hereunder provides for any action to be taken by or determination to be made by the Board, such action may be taken or such determination may be made by the Committee if the power and authority to do so has been delegated to the Committee by the Board as provided for in this Section. Unless otherwise expressly determined by the Board, any such action or determination by the Committee shall be final, binding and conclusive. To the extent permitted by law, the Committee may delegate its authority under the Plan to a member of the Board.

3.3 Terms of Awards

Subject to the other terms and conditions of the Plan, the Board shall have full and final authority to:

- (i) designate Grantees;
- (ii) determine the number of Shares to be subject to an Award;
- (iii) establish the terms and conditions of each Award (including, but not limited to, the nature and

duration of any restriction or condition (or provision for lapse thereof) relating to the vesting or forfeiture of an Award and any other terms or conditions);

- (iv) prescribe the form of each Award Agreement evidencing an Award;
- (iv) establish performance criteria; and
- (v) amend, modify, or supplement the terms of any outstanding Award. Such authority specifically includes the authority, in order to effectuate the purposes of the Plan but without amending the Plan, to modify Awards to eligible individuals who are foreign nationals or are individuals who are employed outside Canada to recognize differences in local law, tax policy, or custom.

As a condition to any subsequent Award, the Board shall have the right, at its discretion, to require Grantees to return to the Company Awards previously made under the Plan. Subject to the terms and conditions of the Plan, any such new Award shall be upon such terms and conditions as are specified by the Board at the time the new Award is made. The Board shall have the right, in its discretion, to make Awards in substitution or exchange for any other award under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate. The Company may retain the right in an Award Agreement to cause a forfeiture of the gain realized by a Grantee on account of actions taken by the Grantee in violation or breach of or in conflict with any employment agreement, non-competition agreement, any agreement prohibiting solicitation of employees or clients of the Company or any Affiliate thereof or any confidentiality obligation with respect to the Company or any Affiliate thereof or otherwise in competition with the Company or any Affiliate thereof, to the extent specified in such Award Agreement applicable to the Grantee. Furthermore, the Company may, within 30 days, annul an Award if the Grantee is an employee of the Company or an Affiliate thereof and is terminated for Cause. The grant of any Award shall be contingent upon the Grantee executing the appropriate Award Agreement.

3.4 No Liability

No member of the Board or of the Committee shall be liable for any action or determination made in good faith with respect to the Plan or any Award or Award Agreement.

3.5 Book Entry

Notwithstanding any other provision of this Plan to the contrary, the Company may elect to satisfy any requirement under this Plan for the delivery of share certificates through the use of book-entry.

4. SHARES SUBJECT TO THE PLAN

Shares issued or to be issued under the Plan shall be authorized but unissued shares. Subject to adjustment as provided in Section 11 hereof, the maximum number of Shares available for issuance under the Plan shall be 2,275,973. The number of Shares issued or to be issued under the Plan and all other security-based compensation arrangements, at any time, shall not exceed 20% of the total number of the issued and outstanding Shares. If any Shares covered by an Award are forfeited, or if an Award terminates without delivery of any Shares subject thereto, then the number of Shares counted against the aggregate number of Shares available under the Plan with respect to such Award shall, to the extent of any such forfeiture or termination, again be available for making Awards under the Plan. The Board shall have the right to substitute or assume Awards in connection with mergers, reorganizations, separations, or other transactions. The number of Shares reserved pursuant to this Section 4 may be increased by the corresponding number of Awards assumed and, in the case of a substitution, by the net increase in the number of Shares subject to Awards before and after the substitution.

Notwithstanding the foregoing:

- (i) the number of securities issuable to insiders of the Company under all security-based compensation arrangements, including the Plan, at any time, cannot exceed 10% of the

issued and outstanding Shares;

- (ii) the number of securities issued to insiders of the Company pursuant to such arrangements, within any one-year period, cannot exceed 10% of the issued and outstanding Shares;
- (iii) the number of Shares issuable to any one Service Provider or other individual pursuant to an Award within any one-year period, cannot exceed 1% of the issued and outstanding Shares; and
- (iv) the aggregate number of Shares issuable to all Service Providers pursuant to Awards within any one-year period, cannot exceed 2% of the issued and outstanding Shares.

5. EFFECTIVE DATE, DURATION AND AMENDMENTS

5.1 Effective Date

The Plan shall be effective as of the Effective Date, subject to approval of the Plan by the Company's shareholders within one year of the Effective Date. Upon approval of the Plan by the shareholders of the Company as set forth above, all Awards made under the Plan on or after the Effective Date shall be fully effective as if the shareholders of the Company had approved the Plan on the Effective Date. If the shareholders fail to approve the Plan within one year after the Effective Date, any Awards made hereunder shall be null and void and of no effect.

5.2 Term

The Plan shall terminate automatically ten (10) years after the Effective Date and may be terminated on any earlier date or extended as provided in Section 5.3.

5.3 Amendment and Termination of the Plan

The Board may, at any time and from time to time, amend the Plan, subject to prior TSX Venture Exchange approval, or suspend, extend or terminate the Plan as to any Shares as to which Awards have not been made. An amendment shall be contingent on approval of the Company's shareholders to the extent stated by the Board, required by applicable law or required by applicable stock exchange listing requirements. However, amendments of a housekeeping nature, changes to vesting provisions, changes to the term of the Plan or Awards made hereunder or changes to performance criteria will not require shareholder approval.

6. AWARD ELIGIBILITY AND LIMITATIONS

6.1 Service Providers

Subject to this Section 6, Awards may be made under the Plan to any Service Provider, as the Board shall determine and designate from time to time. The Company and the Grantee of Restricted Stock Units are responsible for ensuring and confirming that the Grantee of Restricted Stock Units is a bona fide Service Provider.

6.2 Successive Awards

An eligible person may receive more than one Award, subject to such restrictions as are provided herein.

6.3 Stand-Alone, Additional, Tandem, and Substitute Awards

Awards granted under the Plan may, in the discretion of the Board, be granted either alone or in addition to, in tandem with, or in substitution or exchange for, any other Award or any award granted under another plan of the Company, any Affiliate, or any business entity to be acquired by the Company or an Affiliate, or any other right

of a Grantee to receive payment from the Company or any Affiliate. Such additional, tandem, and substitute or exchange Awards may be granted at any time. If an Award is granted in substitution or exchange for another Award, the Board shall require the surrender of such other Award in consideration for the grant of the new Award.

7. AWARD AGREEMENT

Each Award granted pursuant to the Plan shall be evidenced by an Award Agreement, in such form or forms as the Board shall from time to time determine. Award Agreements granted from time to time or at the same time need not contain similar provisions but shall be consistent with the terms of the Plan.

8. TERMS AND CONDITIONS OF RESTRICTED STOCK UNITS

8.1 Grant of Restricted Stock Units

Awards shall be in the form of Restricted Stock Units. Subject to the restrictions and vesting provisions provided in Section 8.2, each RSU shall entitle the Grantee to receive one Share.

8.2 Restrictions and Vesting

At the time a grant of Restricted Stock Units is made, the Board may, in its sole discretion, establish a period of time (a “**Vesting period**”) applicable to such Restricted Stock Units. Each Award of Restricted Stock Units may be subject to a different Vesting period. The Board may, in its sole discretion, at the time a grant of Restricted Stock Units is made, prescribe restrictions in addition to or other than the expiration of the Vesting period, including the satisfaction of corporate or individual performance objectives, which may be applicable to all or any portion of the Restricted Stock Units in accordance with Section 9.1 Notwithstanding the foregoing, (i) Restricted Stock Units that vest solely by the passage of time shall not vest in full in less than three (3) years from the Grant Date; (ii) Restricted Stock Units for which vesting may be accelerated by achieving performance targets shall not vest in full in less than one (1) year from the Grant Date; and (iii) Restricted Stock Units granted to Outside Directors vest, (a) at the election of an Outside Director at the time the Award is granted, within a minimum of one (1) year to a maximum of three (3) years following the Grant Date, as such Outside Director may elect, and (b) if no election is made, upon the earlier of a Change of Control in accordance with Section 11.2 or his or her resignation from the Board.

Restricted Stock Units may not be sold, transferred, assigned, pledged or otherwise encumbered or disposed of (other than to the Grantee’s beneficiary or estate, as the case may be, upon the death of the Grantee) during the Vesting period.

Upon the death of a Grantee, any RSUs granted to such Grantee which, prior to the Grantee’s death, have not vested, will immediately vest and the Grantee’s estate shall be entitled to receive payment in accordance with Section 8.6 hereof.

Notwithstanding any other provision of this RSU Plan, no Restricted Stock Unit issued under this Plan may vest before the date that is one year following the date it is granted or issued except as otherwise permitted under the policies of the TSX Venture Exchange.

8.3 Restricted Stock Unit Accounts

An account will be maintained by the Secretary of the Company, or such other officer of the Company as the Board may designate, in the name and for the benefit of the Grantee, in which will be recorded the number of RSUs granted to the Grantee, the Grant Date and expiry date of the RSUs.

8.4 Rights of Holders of Restricted Stock Units

(a) Voting and Dividend Rights

Grantees of Restricted Stock Units shall have no rights as shareholders of the Company. The Board may provide in an Award Agreement evidencing a grant of Restricted Stock Units that the Grantee shall be entitled to receive, upon the Company's payment of a cash dividend on its outstanding Shares, a cash payment for each Restricted Stock Unit granted equal to the per-share dividend paid on the outstanding Shares. Such Award Agreement may also provide that such cash payment will be deemed reinvested in additional Restricted Stock Units at a price per unit equal to the Fair Market Value of the Shares on the date that such dividend is paid.

(b) **Creditor's Rights**

A Grantee shall have no rights other than those of a general creditor of the Company. Restricted Stock Units represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of the applicable Award Agreement.

8.5 Termination of Service

Unless the Board otherwise provides in an Award Agreement or in writing after the Award Agreement is issued, subject to prior TSX Venture Exchange approval, upon the termination of a Grantee's Service, any Restricted Stock Units granted to a Grantee that have not vested and will not vest within 30 days from the date of termination, or with respect to which all applicable restrictions and conditions have not lapsed, shall immediately be deemed forfeited. Upon forfeiture of Restricted Stock Units, the Grantee shall have no further rights with respect to such Award, including but not limited to any right to receive dividends with respect to the Restricted Stock Units.

8.6 Settlement of Restricted Stock Units

Upon the expiration or termination of the Vesting period and the satisfaction of any other restrictions prescribed by the Board, the Restricted Stock Units shall vest and shall be settled in either cash or Shares, as the Company may so determine in its sole discretion, as follows:

- a. If the Restricted Stock Units are settled in Shares, settlement of RSUs shall be in Shares issued by the Company from treasury and, unless otherwise provided in the Award Agreement, a share certificate for that number of Shares equal to the number of vested RSUs shall be delivered, free of all such restrictions, to the Grantee or the Grantee's beneficiary or estate, as the case may be; or
- b. A cash payment in an amount equal to the Fair Market Value on the trading date prior to the expiration or termination of the Vesting period multiplied by the quantity of Restricted Stock Units that are vested, and certified funds shall be paid for the Restricted Stock Units, net of any applicable withholdings.

The Committee shall specify the circumstances in which Awards shall be made or forfeited in the event of termination of Service by the Grantee prior to vesting.

8.7 Exchange Hold Period

If the Award is granted to a director, officer, promoter or other insider of the Company, then the Award will bear an Exchange Hold Period (as defined in TSX Venture Exchange Policies), and the following legend will be inserted onto the first page of the Award Agreement:

Without prior written approval of the TSX Venture Exchange and compliance with all applicable securities legislation, the Shares represented by this agreement when vested and issued thereunder may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until ♦, 20 ♦, [i.e., four months and one day after the date of Award grant].

9. TERMS AND CONDITIONS OF AWARDS

9.1 Performance Conditions

The granting and vesting of RSUs may be subject to such performance conditions as may be specified by the Board in the Award Agreement. The Board may use such business criteria and other measures of performance as it may deem appropriate in establishing any performance conditions and may exercise its discretion to reduce the amounts payable under any Award subject to performance conditions.

9.2 Performance Goals Generally

The performance goals for Awards shall consist of one or more business criteria and a targeted level or levels of performance with respect to each of such criteria, as specified by the Committee consistent with this Section 9.1. Performance goals shall be objective and shall otherwise meet the requirements that the level or levels of performance targeted by the Committee result in the achievement of performance goals being “substantially uncertain”. The Committee may determine that Awards shall vest upon achievement of any one performance goal or that two or more of the performance goals must be achieved as a condition to the vesting of an Award. Performance goals may differ for Awards granted to any one Grantee or to different Grantees.

9.3 Business Criteria

The Board, in its sole discretion, may establish business criteria for the purpose of establishing performance goals in accordance with Section 9.1, including but not limited to, one or more of the following business criteria for the Company, on a consolidated basis, and/or specified Subsidiaries or business units of the Company (except with respect to the total shareholder return and earnings per share criteria): (1) total shareholder return; (2) such total shareholder return as compared to total return (on a comparable basis) of a publicly available index such as, but not limited to, the S&P/TSX Composite Index; (3) past service to the Company; (4) net income; (5) pre-tax earnings; (6) earnings before interest expense, taxes, depreciation and amortization; (7) pre-tax operating earnings after interest expense and before bonuses, service fees, and extraordinary or special items; (8) operating margin; (9) earnings per share; (10) return on equity; (11) return on capital; (12) return on investment; (13) operating earnings; (14) working capital; (15) ratio of debt to shareholders’ equity; (16) revenue; and (17) free cash flow and free cash flow per share. Business criteria may be measured on an absolute basis or on a relative basis (i.e., performance relative to peer companies) and on a GAAP or non-GAAP basis.

9.4 Timing for Establishing Performance Goals

Performance goals shall be established not later than 90 days after the beginning of any performance period applicable to such Awards, or at such other date as may be determined by the Board.

9.5 Written Determinations

All determinations by the Committee as to the establishment of performance goals, the amount of any Award and as to the achievement of performance goals relating to Awards, and the amount of any final Awards, shall be made in writing.

10. REQUIREMENTS OF LAW

10.1 General

The Plan shall comply with the provisions of any applicable law or regulation of any governmental authority, including without limitation any federal, state or provincial securities laws or regulations and the requirements of any stock exchange having jurisdiction. The failure to comply with such laws or regulations, including without limitation the *Securities Act*, may result in a termination of the Plan and/or the forfeiture of previously granted RSUs.

11. EFFECT OF CHANGES IN CAPITALIZATION

11.1 Changes in Shares

If the number of outstanding Shares is increased or decreased or the Shares are changed into or exchanged for a different number or kind of shares or other securities of the Company on account of any recapitalization, reclassification, stock split, reverse split, combination of shares, exchange of shares, stock dividend or other distribution payable in capital stock, or other increase or decrease in such shares effected without receipt of consideration by the Company occurring after the Effective Date, the number and kinds of shares for which Awards may be made under the Plan shall be adjusted proportionately and accordingly by the Company. In addition, the number and kind of shares for which Awards are outstanding shall be adjusted proportionately and accordingly so that the proportionate interest of the Grantee immediately following such event shall, to the extent practicable, be the same as immediately before such event. Notwithstanding the foregoing, in the event of any distribution to the Company's shareholders of securities of any other entity or other assets (including an extraordinary cash dividend but excluding a non-extraordinary dividend payable in cash or in shares of the Company) without receipt of consideration by the Company, the Company may, in such manner as the Company deems appropriate, adjust the number and kind of shares subject to outstanding Awards.

11.2 Change of Control

Upon the occurrence of a Change of Control, all outstanding Restricted Stock Units shall be deemed to have vested, and all restrictions and conditions applicable to such Restricted Stock Units shall be deemed to have lapsed and the Shares subject to such Restricted Stock Units shall be issued and delivered, immediately prior to the occurrence of such Change of Control.

11.3 Adjustments

Adjustments under Section 11.1 relating to Shares or securities of the Company shall be made by the Board, whose determination in that respect shall be final, binding and conclusive. No fractional shares or other securities shall be issued pursuant to any such adjustment, and any fractions resulting from any such adjustment shall be eliminated in each case by rounding downward to the nearest whole Share. The Board may provide in the Award Agreement at the time of grant, or any time thereafter with the consent of the Grantee, for different provisions to apply to an Award in place of those described in Sections 11.1 and 11.3.

11.4 No Limitations on Company

The making of Awards pursuant to the Plan shall not affect or limit in any way the right or power of the Company to make adjustments, reclassifications, reorganizations, or changes of its capital or business structure or to merge, consolidate, dissolve, or liquidate, or to sell or transfer all or any part of its business or assets.

12. GENERAL PROVISIONS

12.1 Disclaimer of Rights

No provision in the Plan or in any Award or Award Agreement shall be construed to confer upon any individual the right to remain in the employ or service of the Company or any Affiliate, or to interfere in any way with any contractual or other right or authority of the Company either to increase or decrease the compensation or other payments to any individual at any time, or to terminate any employment or other relationship between any individual and the Company. In addition, notwithstanding anything contained in the Plan to the contrary, unless otherwise stated in the applicable Award Agreement, no Award granted under the Plan shall be affected by any change of duties or position of the Grantee, so long as such Grantee continues to be a director, officer, consultant or employee of the Company or an Affiliate. The obligation of the Company to issue Shares or pay any benefits pursuant to this Plan shall be interpreted as a contractual obligation only in respect of those amounts described herein, in the manner and under the conditions prescribed herein. The Plan shall in no way be interpreted to require

the Company to transfer any amounts to a third-party trustee or otherwise hold any amounts in trust or escrow for payment to any Grantee or beneficiary under the terms of the Plan.

12.2 Non-exclusivity of the Plan

Neither the adoption of the Plan nor the submission of the Plan to the shareholders of the Company for approval shall be construed as creating any limitations upon the right and authority of the Board to adopt such other incentive compensation arrangements (which arrangements may be applicable either generally to a class or classes of individuals or specifically to a particular individual or particular individuals) as the Board in its discretion determines desirable.

12.3 Withholding Taxes
